**Revision of Drawing Approval of Main Air Reservoir intended for Shipyard**  
**Hull Nos.**  
**GL Reg. Nos.**  
**Our previous Ref. No.**

Dear Y. G. Kim,

Please find enclosed one copy of the following revised drawings, which have been received electronically by GL GLOBE-System:

| Drawing No.                     | Drawing Title        | Status | Remarks | Red Entries |
|---------------------------------|----------------------|--------|---------|-------------|
| NCP0123/124/125-V101-001 Rev. 1 | Main Air Reservoir   | Noted  | ☒       | ☒           |
| NCP0123/124/125-V101-005 Rev. 1 | Detail of Nozzle 2/2 | Noted  | ☒       | ☒           |

The drawings have been examined according to our Rules and Guidelines "I – Ship Technology, Part 1 – Seagoing Ships, Chapter 2 – Machinery Installations, Section 8 – Pressure Vessels and Heat Exchangers" and marked with our sign of perusal.
